COUNTY OF SAC, ss.

I, the undersigned, being duly sworn and under oath, state that the following facts known by me or told to me by the other reliable persons form my belief that Tracey Ann Richter-Roberts the defendant committed the crime charged.

December 13, 2001, defendant T.R. having malice aforethought, willfully, deliberately and with premeditation shot and killed Dustin Wehde with two separate handguns. To wit: T.R. admits to shooting and killing Wehde in her upstairs bedroom, but alleges she did so in self-defense. A piece of evidence was found in Wehde's car following the murder. The existence and/or nature of this piece of evidence was never released by law enforcement. T.R.'s communications with law enforcement and other individuals since the murder strongly indicates T.R. not only had knowledge this piece of evidence existed, but that she manufactured and planted the same in Wehde's vehicle after the murder to make it appear as if Wehde was a home invader. Specifically, and most recently, T.R. discussed this piece of evidence, in detail, with the FBI. Additionally, a witness has recently come forward and has stated T.R. described this piece of evidence to the witness in early 2002.
